

Introducing the ...

aLL-PRO CORNER™

THE BEST STONE SYSTEM ON THE MARKET

A **GAME CHANGER** for you, your customers, **and** your bottom line.

- Can be installed with the same ease and confidence as TandoStone panels
- Fast easy-one person installation
- Clean on the jobsite - requires no mortar or adhesive, contains no harmful silica, and creates no dust
- Install at ground level or roof line; no need for a secondary rain screen
- Can be installed in any weather - hot, cold, wet, or dry
- KAPGUARD® with Kynar® coating provides guaranteed color protection for 20+ years
