**Derby Building Products Inc. (“Derby”)** warrants that, during the Warranty Period set forth below, the Products:

- Will be free from material defects in workmanship and materials that (1) occur as a direct result of the manufacturing process; (2) occur under normal use and service; and (3) occur during the warranty period.
- Examples of covered material issues:
  - Rotting, cracking, splitting, moisture damage, fungal decay, and insect, termite or pest damage.

**Warranty Period for Residential Purchasers:** If you are an individual who lives in and owns the single-family home at the time the Products are installed, you are considered a “Residential Purchaser”. **Other Purchasers:** If you are not an individual (e.g., you are a corporation, condominium, cooperative housing arrangement, unincorporated association, school, church, government or public entity), or you are an individual who does not live on the property, you are considered a “commercial owner”. The warranty is prorated for commercial owners as set forth below in the “Subsequent Owner and Commercial Owner Proration Schedule”.

**Remedies for Breach of Warranty:** Derby will, at its option and as the sole and exclusive remedy available for warranty breach, either (a) repair, replace or coat, at Derby’s option, the Product which is not in compliance with the warranty, or (b) refund the amount paid for the Product by the original purchaser of the Product, plus an amount for labor as determined by Derby in its sole discretion or (c) provide replacement for the Product which is not in compliance with the warranty plus an amount for labor as determined by Derby in its sole discretion.

**Repaired/Replaced Products:** In the event of repair, replacement or refinishing under any of the warranties, the warranty applicable to the replacement Products or to the repaired or refinished Products will extend only for the time remaining under the original warranties.

**Transferability of Warranties:** A Residential Purchaser may transfer the *50-Year Performance Plus Limited Warranty* to one (1) new owner by providing written notice to Derby within 60 days after the date of transfer of ownership. Warranty coverage upon transfer is detailed in the “Subsequent Owner and Commercial Owner Proration Schedule” set forth below. Upon any transfer of the property, your obligations become the obligation of the new property owners. Proof of purchase must still be submitted in the event of a warranty claim, so the subsequent owner should obtain proof of purchased from the original purchaser.

Subsequent Owner and Commercial Owner shall have a prorated warranty per the coverage chart below.

<b>Years Since Installation</b>	<b>Percentage of Coverage*</b>
0-5 years	100%
More than 5 years, up to 10 years	75%
More than 10 years, up to 15 years	33%
More than 15 years, up to 50 years	10%
